TAMIM Fund: Credit generated a 0.48% return in July, resulting in a twelve-month net return to investors of 7.08% with all underlying allocations performing as expected. Since inception, the portfolio has delivered an annualised return of 7.02% p.a. net of all fees. Over the three years and ten months since inception, the Fund has only had one negative month and has paid a quarterly distribution of between 1.4 and 2.0% every quarter. The next quarterly is scheduled to be paid on 16 November 2022. TAMIM remains committed to investing with larger, more established managers and avoiding those that are unproven, especially in the current environment. We also continue to focus on senior secured exposure through deals secured by real assets or business cash flows.
